(1) Cows to be milked in the presence of the Matron or other responsible officials deputed by the Medical Officer in charge of the institution.

M. C. ALBUQUERQUE,
Medical Officer in charge.

THE EPIDEMIC DISEASES HOSPITAL AND LEPER ASYLUM, BANGALORE CITY.

Tender Notification dated 28th September 1932.

1. Notice is hereby given that sealed tenders in triplicate on half sheet foolscap size paper will be received at the Office of the Epidemic Diseases Hospital and Leper Asylum by the Medical Officer, at 10 A.M., on 2nd November 1932, for the supply of articles of diet, etc. (as per list annexed), required for the use of the Epidemic Diseases Hospital and Leper Asylum from 1st January 1933 to 31st December 1933.

2. No tender will be received after the date and hour abovementioned.

3. Tenders to be superscribed "Tender for the supply of provisions" to the above hospitals.

4. No tender will be received unless accompanied by a deposit of Rs. 200 in cash or currency notes or Treasury receipts.

5. Tenders will be opened by the Medical Officer in charge at his Office on the date and at the hour abovementioned in the presence of the respective tenderers.

6. The rate for each item must be specified in figures as well as in words and they must be for the particular kind or brand of the articles as specified in the list appended thereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guarnteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government if he fails to complete the contract by executing the necessary agreement and furnishing the required security to the sum of Rs. 200 within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor payment for the articles supplied in each month will be made as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor in which he can keep all non-perishable articles, of which, not less than one month's supply must always be in stock. Perishable articles; such as, vegetables, meat, etc., must be at the hospital at 7-30 A.M. daily. For the supply of milk, the cows to be milked on the premises should be ready at 8 A.M. and 5 P.M. daily. All articles, except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or will he purchased by the hospital authorities from outside, and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50, will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles, and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have power to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Goverment and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list appended to the notice at prevailing market rates and at short notice.

16. The attention of the public is drawn to the "N. B." notes published at the foot of the list.

B. KRISHNAMURTHY RAO,
Medical Officer, Epidemic Diseases,
Hospital and Leper Asylum,
Bangalore City.

DISTRICT HOSPITAL, KOLAR.

Dated 22nd September 1932.

Notice is hereby given that sealed tenders in triplicate, on half-sheet foolscap size paper will be received at the Office by the District Medical Officer, at 9 A.M. on 12th November 1932, for the supply of articles of diet etc., (as per list annexed), required for the use of the District Hospital, Kolar from 1st January 1933 to 31st December 1933 both days inclusive.

2. No tenders will be received after the date and hour above noted.

3. Tenders to be superscribed "Tender for the supply of provisions" to the District Hospital, Kolar.

4. No tender will be received unless accompanied by a deposit of Rs. 50 in cash or currency notes or Treasury receipt.

5. Tenders will be opened by the District Medical Officer in charge, at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of articles as superscribed in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the lists are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting the same.

9. The deposit of the successful tenderer will be retained, and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the security (to the amount of Rs. 100) within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor. Payment for the articles supplied in each month will be made, as soon as possible, after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor in which he can keep all non-perishable articles, of which not less than one month's supply must always be in stock. Perishable articles such as vegetables, meat, etc., must be at the Hospital at 7-30 A.M. daily. All articles, except when mentioned otherwise, should be of the first sort, and any articles rejected on account of inferiority should be promptly replaced by articles of required quality or will be purchased by the Hospital authorities from outside and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer, for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon, who will have power to fine upto Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice.

16. In payments, the contractor must accept the following rule regarding the fractions of a rupee as per order passed by Government. In payments to be made to the contractor fractions of a rupee in the total will be rounded to the nearest rupee, *i.e.*, fractions less than half a rupee will be disregarded, half a rupee and over taken as a rupee.

MATERNITY HOSPITAL, TIPTUR.

Tender Notice, dated 25th September 1932.

Notice is hereby given that sealed tenders in triplicate on half sheet foolscap paper will be received at the Office of the District Medical Officer, Tumkur, by the District Medical Officer, at 11 A.M. on Wednesday the 16th November 1932, for the supply of all articles of diet, etc., as per lists annexed required for the Maternity Hospital, Tiptur, from 1st January 1933 to 31st December 1933 (both days inclusive).

2. No tenders will be received after the date and hour abovementioned.

3. Tenders to be superscribed "Tender for the supply of provision for the Maternity Hospital, Tiptur."

4. No tender will be received unless accompanied by a deposit of Rs. 50 in cash or currency notes or Treasury receipts.

5. Tenders will be opened by the District Medical Officer in charge at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rates for each item must be specified in figures, as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to the rule will be rejected.

7. The quantity stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 100) within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment for the articles supplied in each month will be made, as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor in which he can keep all non-perishable articles, of which, not less than one month's supply must always be in stock. Perishable articles such as vegetables, meat, etc., must be at the Hospital at 7-30 A.M. daily. For the supply of milk, the Cows to be milked in the premises should be ready at 7 A.M. and 5 P.M., every day. All articles, except when mentioned otherwise, should be of the first sort and any other article rejected on account of inferiority should be promptly replaced by articles of required quality or will be purchased by the Hospital authorities from outside and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer, for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of terms of contract, the defaulter being further liable to make good any loss that may result to Government by annulment. If the contractor thinks that the fine levied, in any case is not justifiable, he may appeal to the Senior Surgeon, who will have power to fine upto Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice.

N. B.—Cows to be milked in the presence of the steward or other responsible official deputed by the Lady S. A. S, in charge of the Institution.

B. RAJAGOPAL NAIDU,
District Medical Officer, Tumkur.

VANI VILAS HOSPITAL, MYSORE.

TENDER NOTICE.

Dated 22nd September 1932.

Notice is hereby given that sealed tenders in triplicate on half-sheet foolscap size paper will be received at the Office of the Vani Vilas Hospital, Mysore, by the Lady Medical Officer at 11 A.M. on Monday the 7th November 1932 for the supply of articles of diet, (as per list annexed) required for the use of the Vani Vilas Hospital, Mysore, from 1st January 1933 to 31st December 1933 (inclusive).

2. No tender will be received after the date abovementioned.

3. Tenders to be superscribed "Tender for the supply of provisions" to the Vani Vilas Hopital, Mysore, for the year 1933.

4. No tender will be received unless accompanied by a receipt of Rs. 200 deposited in a Mysore Government Treasury as earnest money for tender to the credit of Lady Medical Officer, Vani Vilas Hospital, Mysore. No cash payment will be accepted.

5. Tenders will be opened by the Medical Officer in charge at her office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate for each item must be specified in figures as well as in words and they must be for the particular kind or brand of the articles as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule wil be rejected.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 400); within three days from the date of his receiving information of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment for the articles supplied in each month will be made, as soon as possible, after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor, in which he can keep all non-perishable articles of which not less than one month's supply must always be in stock. Perishable articles, such as vegetables, meat, etc., must be at the Hospital at 7-30 A.M. daily. For the supply of milk, the cows to be milked on the premises should be ready at 6-30 A.M. and 5 P.M. daily. All articles, except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quantity or will be purchased by the Hospital authorities from outside and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Lady Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have power to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound on occasion of emergency to supply any other articles that are not mentioned in the list appeled to the notice at prevailing market rates and at short notice.

N.B.—Cows to be milked in the presence of the Steward or other responsible official deputed by the Lady Medical Officer.

K. S. CAPTAIN,
Lady Medical Officer.

EPIDEMIC DISEASES HOSPITAL, MYSORE.

Tender Notice, dated 22nd September 1932.

Notice is hereby given that sealed tenders in (triplicate) will be received at the Office of the Medical Officer, Epidemic Diseases Hospital, Mysore, between 8-30 and 10-30 A.M., on the 13th October 1932, for the supply of *Pasteurised Milk*, required for the use of the above Hospital from 1st January 1933 to 31st December 1933 (inclusive).

2. No tender will be received after the date abovementioned.

3. Tenders to be superscribed "Tender for the supply of Pasteurised Milk" to the Epidemic Diseases Hospital, Mysore.

4. No tender will be received unless accompanied by a deposit of Rs. 50 in treasury receipts.

5. Tenders will be opened by the Medical Officer in charge, at his office on the date and at the hour abovementioned in the presence of such tenderers, as may choose to attend.

6. The rate should be quoted in terms of imperial pints per rupee and not stated in pounds, (1 pint=20 ounces.)

7. The quantity stated in the list is not guaranteed.

8. The Senior Surgeon reserves to himself the right of rejecting any tender without assigning any reason therefor.

9. The contract must not be sublet.

10. The milk should be supplied in sterilized and sealed containers of the description and size prescribed by the Medical Officer.

11. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 200) within three days from the date of his receiving intimation of the acceptance of his tender.

12. No advance of cash will be made to the contractor, payment for the Pasteurised Milk supplies in each month will be made as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.

13. Milk should be supplied at 6 A.M., 9 A.M. and 5 P.M., daily.

14. In the events of the milk being of inferior quality or of failure in the due fulfilment of such conditions as may be laid down in its handling, pasteurisation, bottling and transit, it will be open to the Medical Officer to levy a fine not exceeding Rs. 20 on each count. If nevertheless there should be continued breach of the conditions or should the supply prove unsatisfactory in any way, the contractor will be liable to be terminated without notice. In such an eventuality, the contractor shall be bound to make good to Government the loss that may have to be incurred by having to make other arrangements for the supply.

15. The contractor will be bound on occasions of emergency to supply any amount of milk and at short notice. The contractor will depute a servant to be present on the hospital premises between 6 A.M., to 6 P.M.

16. Milk means, cow's milk not skimmed or separated. The attention of the tenderer is drawn to Government Notification No. G. 911—Sany. 61-30-2, dated 29th July 1931, published in the *Mysore Gazette*, Part IV, dated 6th August 1931.

Probable quantity of milk required for the year 1933—6,200 imperial pints.

S. VARADA AIYENGAR,
Medical Officer.

5. Tenders will be opened by the Durbar Surgeon and Medical Officer in charge at his office (Krishnarajendra Hospital, Mysore) on the day and hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate must be specified in figures as well as in words. The value of each tender must be worked out according to the rate tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guaranteed.

8. The rate should be quoted in terms of pint (pint=20 ounces) per rupee and not in pounds.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 500) for pasteurised milk within three days from the date of his receiving the intimation of the acceptance of his tender.

10. The Medical Officer reserves to himself the right of rejecting any tender without assigning any reasons therefor.

11. The milk shall be supplied in sterlised and sealed containers of the description and size prescribed by the Medical Officer.

12. In the event of the milk being of inferior quality or of failure in the due fulfilment of such conditions as may be laid down in its handling, pasteurisation, bottling and transit, it will be open to the Medical Officer to levy a fine not exceeding Rs. 50 on each count. If nevertheless there should be continued breach of the condition or should the supply prove unsatisfactory in any way, the contract will be liable to be terminated without notice. In such eventuality the contractor shall be bound to make good to Government the loss that may have to be incurred by having to make other arrangements for the supply.

13. Milk should be supplied every day at 5-30 A.M., and 9 A.M., and 5 P.M.

Name of the article	*Quantity required for* 1933
Pasteurised Milk	No. 1,08,000 pints (Pint= 20 ounces).

J. F. ROBINSON,
Durbar Surgeon and Medical Officer.

PRINCESS KRISHNAJAMMANNI SANATORIUM, MYSORE.

Tender Notice.

1. Notice is hereby given that sealed tenders (in triplicate) will be received at the Office of the Princess Krishnajammanni Sanatorium, Mysore, by the Medical Officer, at 4 P.M., on Saturday the 15th October 1932, for the supply of Pasteurised Milk and Butter required for the use of the Princess Krishnajammanni Sanatorium, Mysore, from 1st January 1933 to 31st December 1933 (both days inclusive).

2. No tender will be received after the date and hour abovementioned.

3. Tenders to be superscribed "Tender for the supply of Pasteurised Milk and Butter" to the Princess Krishnajammanni Sanatorium, Mysore, for the year 1933.

4. No tender will be received unless accompanied by a receipt of Rs. 50 deposited in any of the Government Treasuries as earnest money for tender to the Medical Officer, Princess Krishnajammanni Sanatorium, Mysore. No cash payment will be accepted.

5. Tenders will be opened by the Medical Officer in charge, in his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate must be specified in figures as well as in words and should be quoted in terms of imperial pints per rupee and not stated in pounds and it must be for the Pasteurised Milk. The value of each tender must be worked out according to the rate tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. Quantity stated below is not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assigning any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnish the required security (to the amount of Rs. 200) within three days after the date of his receiving information of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment for the Pasteurised Milk and Butter supplied in each month will be made as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.

11. Milk must be supplied in sterilized sealed containers and must be ready at the Hospital at 6 A.M., 10 A.M., 2 P.M. and 5 P.M., daily and must be handed over to the Steward or any other responsible official deputed by the Medical Officer. Cow's milk (pasteurised) must be supplied and should be of the first sort. Butter must be supplied at 10 A.M.

12. In the event of the milk being of inferior quality or of failure in the due fulfilment of such conditions as may be laid down in its handling, pasteurisation, etc., it will be open to the Medical Officer to levy a fine not exceeding Rs. 20 on each count. If nevertheless there should be continued breach of the conditions or should the supply prove unsatisfactory in any way, the contract will be liable to be terminated without notice. In such an eventuality, the contract shall be bound to make good to Government the loss that may have to be incurred by having to make other arrangements for the supply.

13. The contract must not be sublet.

14. The contract shall be bound to supply any amount of milk, as necessity arises and at short notice. He cannot make use of the Sanatorium servants for anything and shall make his own arrangements to receive the emergent indent for milk when occasions occur,

otherwise the required quantity will be purchased by the hospital authorities from outside and the charge debited to the contractor.

K. S. CAPTAIN,
Lady Medical Officer.

DISTRICT HOSPITAL AND MATERNITY, CHITALDRUG.

Tender Notice, dated 24th September 1932.

Notice is hereby given that sealed tenders in triplicate on half-sheet foolscap size paper will be received at the Office of the District Hospital, Chitaldrug, by the District Medical Officer, at 10 A.M., on the 16th November 1932, for the supply of all articles of diet, etc., (noted in Alphabetical order) required for the District Hospital from 1st January 1933 to 31st December, 1933 (both days inclusive).

2. No tender will be received after the date and hour mentioned above.

3. Tenders are to be superscribed "Tender for the supply of provision" to the District Hospital, Chitaldrug.

4. No tender will be received unless accompanied by a deposit of Rs. 60 in cash or currency notes or Treasury receipts.

5. Tenders will be opened by the District Medical Officer in charge, at his office on the date and the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rates for each item must be specified in figures as well as in words and they must be for the particular kind or brand of the articles as specified in the list appended thereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the lists are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government if he fails to complete the contract by executing the necessary agreement and furnishing the required security to the amount of Rs. 250 within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment for the articles supplied in each month will be made as soon as possible on his producing the necessary bill with vouchers.

11. A store-room wherever available, will be placed at the disposal of the contractor in which he can keep all non-perishable articles, of which, not less than one month's supply must always be in stock. Perishable articles; such as, vegetables, meat, etc., must be at the Hospital at 7-30 A.M. daily. For the supply of milk, the cows to be milked on the premises should be ready at 7-30 A.M. and 6 P.M. every day. All articles, except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or will be purchased by the Hospital authorities from outside and the charges debited to the contractor. Samples of rice, dhal, soji, curry powder, ghee, bandage and guage cloth must be presented in sealed bottles at the time of offering the tender, without which no tender will be received. Rations issued for the patients should be issued every day at 7-30 A.M.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles, and the contract itself will be annulled and the security will be confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have the power to fine up to Rs. 100 and the decision of the Senior Surgeon will be final in all infringement of the contract.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice.

16. In payments the contractor must accept the following rule regarding the fractions of a rupee order passed by Government. "In payment to be made to the contractor, fractions of a rupee in the total will be rounded to the nearest rupee, *i.e.*, fractions less than half a rupee will be disregarded, half a rupee and over taken as a rupee."
